

Company Profile

As Salamah, Jeddah

WA 0500-449-223 | info@alunexsystems.com | www.alunexsystems.com

At ALUNEX, glass is more than a material — it is an architectural statement.

Through precision sliding doors, curtain walls, and frameless systems, we create spaces defined by light, transparency, and seamless design.

Each panel balances strength with elegance, blurring the boundaries between indoors and outdoors.

About ALUNEX

Alunex is a specialized provider of aluminum and glass systems, delivering practical, high-quality solutions for commercial, residential, and industrial projects.

We focus on precision, durability, and timely delivery, ensuring every installation meets our clients' design requirements and performance expectations.

Our team combines technical expertise with a commitment to clear communication and professional execution. From initial consultation to final handover, we work closely with our clients to provide dependable service and lasting results.

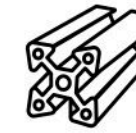

ALUNEX WA 0500-449-223 | info@alunexsystems.com | www.alunexsystems.com

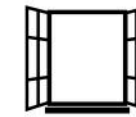

Our Services

Aluminum Systems

Custom fabrication for doors, partitions, and structural works.

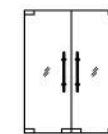

Glass & Window Systems

Fixed, sliding, and operable designs for style & performance.

Curtain Walls

Modern façades with strength and visual impact.

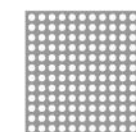

Frameless Glass

Sleek partitions, balustrades, and entrances.

Cladding Solutions

Aluminum composite and protective exterior finishes.

Perforated Panels

Decorative and functional screening systems.

Our Process

1 Consultation & Assessment

We begin with a detailed discussion to understand your project requirements, budget, and design vision.

2 Design & Planning

Our team prepares precise technical drawings, material specifications, and timelines to ensure alignment before work begins.

3 Fabrication & QC

All aluminum and glass components are fabricated to exact measurements, inspected for quality, and prepared for installation.

4 Installation & Handover

Our skilled installation team delivers the final product on time, ensuring every detail meets project specifications before handover.

Our Values

Quality

We use proven materials and skilled workmanship to ensure lasting performance.

Precision

Every detail is measured, planned, and executed to meet exact specifications.

Timely Delivery

We meet project deadlines without compromising quality or safety.

Customer Focus

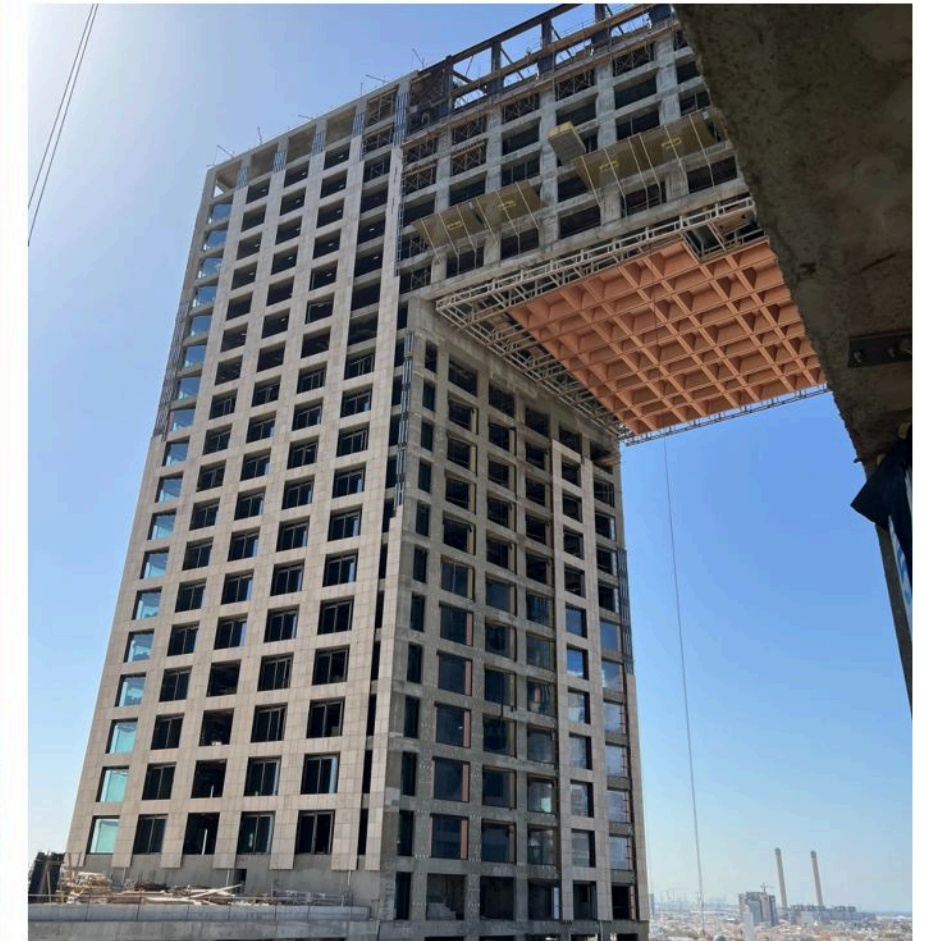

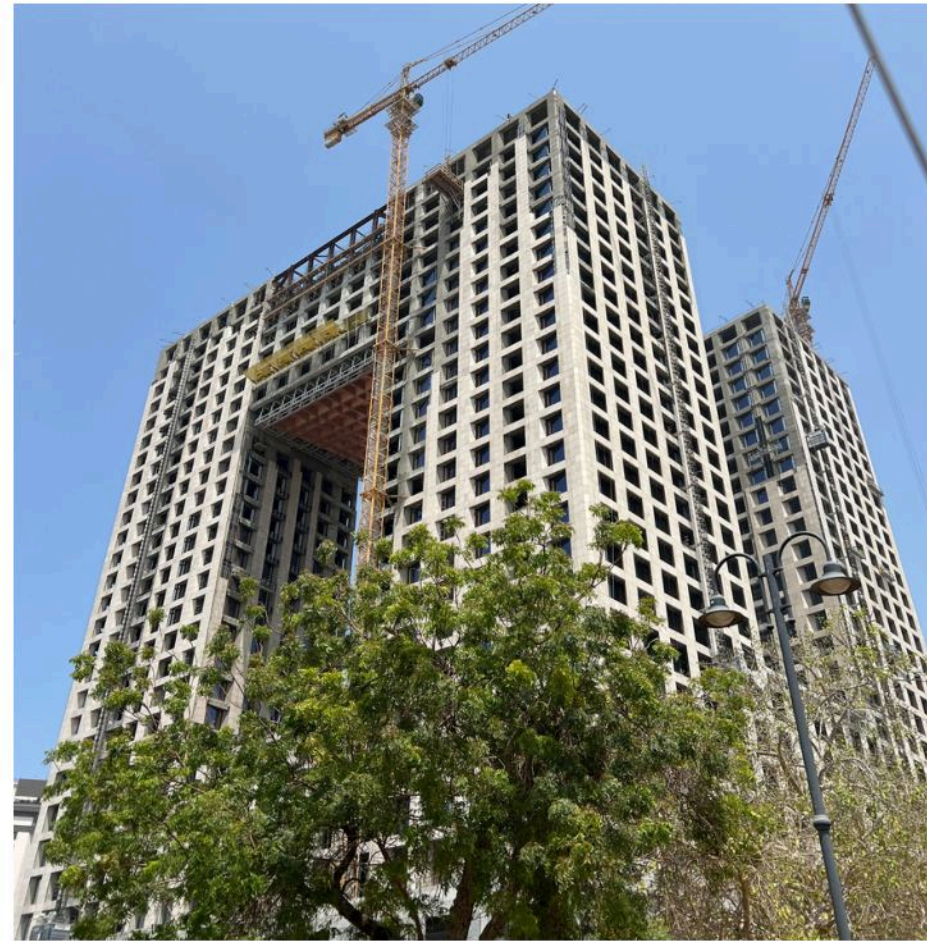

We listen, adapt, and work closely with clients to achieve the best results.
